#### Notes:

1. Important Dates column used to track compliance with SNPLMA Business Rules. FA = Funds Available for Task Order, TO = Task Order Issued, HO = Placed on Hold, TR = Terminated, CL = Closed, TA = Title Accepted by Solicitor..
2. Business Rules (Dates) - Rounds 1&2 - Once funds are available, a Task Order must be issued within 1 Year for Land Acquisitions or Projects. Once the Task Order has been issued, the acquisition must go to contract within one year and the project completed within the timeframe specified in the Task Order
3. A Funded Reserve of 10% is available for Round 2 and Round 3 Land Acquisitions and Projects.
4. The MSHCP is on a 2 year budget cycle and is funded at 100% due to the payroll intensive nature of the work.
5. Special Account Reserve (SAR) allocations and financial activity are reflected in the Project Detail by Round, but are not included in the By Round Totals.
6. \* = These projects were approved but not funded in Round 2. They were subsequently blended into Round 3 by the Working Group.
7. "Designated Amt" represents the estimated cost of the acquisition or project approved by the Secretary. "Budget Approved" represents a set amount authorized by the Secretary for expenditure on a category of a particular round. Therefore, totals for "Designated Amt" and "Budget Approved" are not equivalents.
8. The Round 5 PTNA budget includes the original Secretarial Approval on August 5, 2004, the Tier 2 Approval on October 28, 2004 for additional projects, and the additional approval for the Regional Park (Craig Ranch Golf Course) in the amount of \$10,341,600. Also note that the Budget Allocation Percentages for Round 5 have been adjusted to reflect these increases in the Total Approved Round 5 Budget.
